Eligibility and General Information

- 1. Utah law (59-13-202.5) allows retailers, wholesalers or licensed distributors to claim a refund of Utah fuel tax paid on motor fuel if:
 - dyed diesel fuel or special fuel is mixed with motor or aviation fuel; and
 - the mixed motor or aviation fuel is returned to the refinery for re-refining.
- 2. Utah law (59-13-322) allows retailers, wholesalers, licensed distributors or licensed suppliers to claim a refund of Utah fuel tax paid on special fuel if:
 - dved diesel fuel is mixed with special fuel; and
 - the mixed special fuel is returned to the refinery for re-refining.
- 3. You must attach copies of all original invoices or bills of lading showing Utah fuel tax paid for the fuel gallons included in this refund application:
 - For motor or aviation fuel, attach copies of bill(s) of lading.
 - For special fuel, attach copies of original invoice(s).
- 4. You must attach written verification from a refinery showing:
 - the number of gallons of mixed motor, aviation or special fuel returned to the refinery for re-refinement;
 - the date the mixed motor or special fuel gallons were returned to the refinery; and
 - that Utah motor, aviation or special fuel tax was paid on the mixed fuel returned to be re-refined.
- 5. You must have your claim notarized.
- 6. You must file your application for refund or credit with the Tax Commission within 90 days of the date the motor fuel, special fuel or aviation fuel was returned to the refinery for re-refinement.
